Ummul-momenin Hazrat khadijatul kubra has made the great place in all wives of Nabi-e-karim sallallahualayhi wasallam. Nabi-e-karim sallallahualayhi wasallam has accepted her first as his wife. And till she alived, Nabi-e-karim sallallahualayhi wasallam has not married with any other. She was very precious & beloved wife of Nabi-e-karim sallallahualayhi wasallam.

She has given birth to Khatun-E-Jannat saiyadul fatema Fatmatujjohra radiyallahu anha. She was the richest woman in Arab. After marrying with Nabi-e-karim sallallahualayhi wasallam, she has given all her property for protection of Islam & for Ummatt-e-musalman’s benefit.

She has put all in the feet of Nabi-e-karim sallallahualayhi wasallam & said, “ Ya Rasulallah sallallahualayhi wasallam, you are the only owner of all these.” Really, All that given by Ummul-momenin Hazrat khadijatul kubra radiyallahu anha have been proven extremely beneficial to the leader of Islam Nabi-e-karim sallallahualayhi wasallam for Ummat-e-musalman.

This is only her worth, that today, Islam is getting fame all over the world. For pushing ahead only that mission of Ummul-momenin Hazrat khadijatul kubra radiyallahuanha, in the honour of her name only, one institution has been started under the honour of auspicious Ashraful Ulema Abul hasan Saiyed Mohammad Ashraf Ashrafi Jilani, named “ Al-Jamiyatul Ashrafiya khadijatul kubra Lil-banat” at Hubli, Karnataka.

Today, this is only Allah’s blessings that more than 40 girls are getting trained & taking knowledge of Ulum-e-din Mustufa sallallahualayhi wasallam. And Inshaallahtala, this flow of knowledge will be continued forever.

At last, you all are requested that if you also want your daughters to get knowledge of Ulum-e-din Mustufa sallallahualayhi wasallam then come to follow the great Ummul-momenin Hazrat khadijatul kubra radiyallahuanha’s way & be the part of it to earn good in the world as well as in the final destiny.

Ata-E-Ashraf

The Great Allah has made us Ashrafi & Put the crown of **“Laqak Karmna bani Adam”** on our head & he has given us the beautiful gift of **“ Laqak Khalak na Inshan Fi Ahsane Taqvim”** made our heart pure.

‘Har lahze he momin ki nayi aan nayi shan

Guftar me kirdar me Allah ki burhan’

Though we are muslims but today we are not Islamic, we are muslims but our quality is not seen. If we want to purify ourselves, to make our character better, if we want to make a distance between us & our sins & there by make our final destiny beautiful, then the men & women both have to understand Quran-E-Pak & Hadis Sharif & they have to follow it.

According to the Islamic rules only, we have to live. The great Nabi-e-Karim sallallahu alayhi wasallam has told, **“ Talbil Ilm Faridat Ala Kulle Muslim wa Musalma”** To learn Islamic concepts is the duty of all men & women. With the men, by including women, Huzur sallallahu alayhi wasallam has promised that if a woman is knowledgeable then the children will be knowledgeable if women is wise then the children will be wise, if a woman obeys Namaz & Roza properly then the children will also obey Namaz & Roza. If a woman knows Islamic concepts then the children will also learn it. Huzur sallallahu alayhi wasallam has told that the mother’s bosom is the first university of a child.

Today for children of Islam, different different institutions have been started but for the Islamic fame, the Islamic institutions are very less. For fulfilling that need only, when the followers of Huzur Ashraful-Ulema Abul Hasan Saiyad Mohammad Ashraf Ashrafi Jilani have requested again & again that, Huzur you have given the source of Islamic knowledge for the people of Islam which is successfully running by blessings of Allah. We, from the Hubli, are requesting you to give us that type of Institution that flows the Islamic knowledge for especially girls & thereby they also can be the source of Islamic knowledge for the other followers of Islam. Huzur Ashrafu-ulema has undertaken the request of his followers & by saying these two lines which he says usually,

“ My life is only for benefit for everyone, I am the lamp, illuminate me happily”

And he has started the “Al-Jamatul Ashrafiya khadijatul kubra lil-banat’ at Hubli. More than 40 girls are getting knowledge of Islam there. Owner of the institution has made the facility of food, shelter & medicinal for treatment beautifully. The girls neither have to face any problem nor to experience anything lacking. The institute is getting more & more fame under the great Ashraful Ulema’s keeping.

The Institution is now situate at the building of Mohammad Rafiq Ashrafi Tilwai's building. For the new building, Huzur Ashraful-Ulema has bought the plot at old Hubli. The construction work will be started very soon. You all, the followers of Islam, are requested to come together help together for this institution named 'Al-Jamatul Ashrafiya khadijatul kubra-lil-banat' which is indeed a real gift of Huzur Ashraful Ulema. So that you can please Allah & Nabi-e-karim sallallahualayhi wasallam & get blessings of Gausul Aalam Mehbub-e-Yazdani Huzur makhdum Sultan saiyyad Ashraf Jahangir Simnani radiyallahu anha.

This is only Allah's blessings, that he has given us the great gift of Quran shareef & Allah has sent Hazrat Mohammad Mustafa Sallallahu alayhi wasallam to make us follow it & who has made true way to easy for us to walk on. Without knowledge, a person can't follow Allah, means to eat, to drink, to stand, to sit even to talk with parents is impossible without getting knowledge which is given by the great Allah only. That is why Mehboobe khuda sallallahu alayhi wasallam has told, **“Talbil Ilm Faridat Ala Kulle Muslim wa Musalma”** to get Islamic knowledge is the duty of all muslims.

A person must have as much knowledge as possible which is required truly & that is beneficial for others also. That is proven in Quran Shareef & in the great words of Nabi-e-karim sallallahu alayhi wasallam. Allah has told, “**Waman Paytul Hikmat faqad uti Khaair Kashira**” means ‘ to whom Allah is kind, only those can get knowledge of islam. Today, for the protection & immortality of the true way, the belonging of Ashrafiya family’s member, son of Hazrat Gausul Alam Makhdum Ashraf, Huzur Ashraful Ulema means Abul Hasan Saiyad Mohammad ashraf Ashrafi Jilani has started one big institution named ‘Al-Jamatul Ashrafiya khadijatul kubra lil-banat’ at Hubli, Karnataka.

Today, with the prayers of only Huzur Ashraful Ulema & the best beginning part given his followers, this institutions has completed journey of one year successfully.

This is only blessings of Huzur sarkar Makdum Ashraf Jahangir Simnani radiyallahu anha on me that I have given chance to serve at this great place. And Alhamdulillah, this is only Makhdumi blessings, I have never felt satisfied before as today I am. I prayed in the great court of Allah with the blessings of Habib Pak sallallahu alayhi wasallam & sarkar Makhdum Ashraf Jahangir simnani radiyallahu anha, the blessings of Huzur Ashraful Ulema remain forever & give the reward to serve of Institution & like this only, for the growth of Jamiyah, they always try for pushing up this Makhdum mission. Amin

Ulum-e-din is great gift of Allah, through which Allah gives the person higher greatness. This is prize less gift through which the person becomes successful in both, in this world & at his/her final destiny. This is saying that Allah gives the greatness to those only who is having the knowledge of the Islam. The Institution named 'Al-Jamatul Ashrafiya khadijatul kubra lil-banat' is started for only that reason that Islamic girls can get knowledge of islam, at Hubli, Karnataka & thereby it can be the reason of their success.

This institution has completed one year, we have not to face any problem, all facilities are provided well. By seeing this great working of the server of the institution, I trust that this institution will be proven as the great source of Islamic knowledge for girls very soon.

This is the great thing that this institutions has ownership of Huzur Ashraful Uulma named Abul Hasan saiyad Mohammad Ashraf Ashrafiul Jilani. If any obstacle is there for the success of the institution, that will be gone away very soon. I pray to Allah that this institution gets too much fame & the server of institution get blessings of the great Allah always. Amin.
